PROFESSIONAL SUMMARY

Frontend developer specializing in React.js and modern web technologies, with expertise in building scalable, responsive applications using Next.js, Firebase, and MongoDB. My unique blend of technical development skills and digital marketing background enables me to create user-centric solutions that drive engagement and conversions. With strong data analysis capabilities using Python and advanced knowledge of user behavior tracking, I deliver applications that not only function flawlessly but also optimize business outcomes through data-driven insights.

TECHNICAL SKILLS

Frontend Development

- **React.js & Next.js** - Advanced proficiency in building dynamic, server-side rendered applications
- **JavaScript ES6+** - Modern JavaScript features, async/await, and advanced patterns
- **HTML5 & CSS3** - Semantic markup, CSS Grid, Flexbox, and modern CSS features
- **Tailwind CSS** - Utility-first framework for rapid, consistent UI development
- **Progressive Web Apps (PWA)** - Creating app-like web experiences with offline capabilities

Backend & Database

- **Node.js** - Server-side JavaScript development and API creation
- **MongoDB** - NoSQL database design and optimization
- **Firebase** - Real-time databases, authentication, and cloud functions

Development Tools & Analytics

- **Google Analytics 4** - Advanced tracking implementation and user behavior analysis
- **Google Tag Manager** - Complex tracking setups and conversion optimization
- **Data Analysis** - Python (Pandas, NumPy), Excel for performance insights
- **Version Control** - Git, GitHub for collaborative development

Additional Skills

- **SEO Integration** - Technical SEO implementation in React applications
 - **Performance Optimization** - Code splitting, lazy loading, and performance monitoring
 - **Responsive Design** - Mobile-first approach across all devices
 - **Content Creation** - Adobe Premiere Pro, CapCut, Canva for multimedia integration
 - **AI Tools** - Leveraging AI for development optimization and content enhancement
-

PROFESSIONAL EXPERIENCE

Digital Marketing Executive & Web Developer

Home Sweet Home Real Estate - Dubai

07/2024 - Current
