PROFESSIONAL SUMMARY

Shopify developer specializing in custom e-commerce solutions with expertise in Liquid templating, theme customization, and app development. My background in digital marketing and data analysis provides unique insights into conversion optimization and user behavior, enabling me to build Shopify stores that not only look great but also drive sales and maximize ROI. Proficient in modern web technologies including React.js, Node.js, and MongoDB for custom integrations and advanced functionality.

TECHNICAL SKILLS

Shopify Development

- **Liquid Templating** - Advanced custom theme development and modification
- **Shopify APIs** - Admin API, Storefront API, and Webhook integrations
- **Theme Customization** - Custom sections, templates, and responsive design
- **App Development** - Custom Shopify apps using Node.js and React
- **Performance Optimization** - Speed optimization and Core Web Vitals improvement

E-commerce & Frontend

- **React.js & Next.js** - Modern frontend frameworks for custom solutions
- **HTML5 & CSS3** - Semantic markup and responsive design
- **Tailwind CSS** - Rapid UI development and consistent styling
- **JavaScript ES6+** - Advanced functionality and interactive features
- **Progressive Web Apps (PWA)** - Enhanced mobile commerce experiences

Backend & Integrations

- **Node.js** - Server-side development for custom apps and integrations

- **MongoDB** - Database solutions for custom e-commerce requirements
- **Firebase** - Real-time data and authentication services
- **WordPress** - CMS integration and custom development

Analytics & Marketing

- **Google Analytics 4** - E-commerce tracking and conversion analysis
- **Google Tag Manager** - Advanced tracking implementation
- **Meta Pixel & Ads** - Social commerce integration and tracking
- **Data Analysis** - Python (Pandas, NumPy) for sales and user behavior insights
- **SEO Optimization** - Technical SEO for e-commerce and organic traffic growth

Content & Design

- **Adobe Premiere Pro** - Product video creation and editing
 - **CapCut** - Quick video content for social commerce
 - **Canva** - Graphics and marketing material design
 - **AI Tools** - Content optimization and automated solutions
-
